

BIG BLUE COUNTRY™

SPORTS BAR & GRILL

Bardstown Road Aglow- 3 BANDS

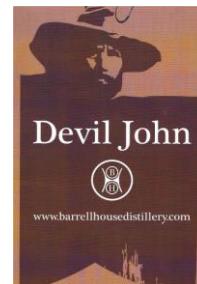

This Saturday promises to be a big day at Big Blue Country. Of course there is the **big game against North Carolina at 12:30pm**. But we have a big night planned too!

 **Four Roses**
BOURBON Be merry. Be responsible. presents the
25th ANNIVERSARY

www.TheHighlandsOfLouisville.com

In conjunction with Bardstown Road Aglow, we will be offering some fabulous holiday drinks and some great Bluegrass/Country Soul/Folk music served-up by 3 Bands - **Sean Geil of The Tillers** from Cincinnati, **Al Scorch** from Chicago; and the **Whiskey Bent Valley Boys** from Pewee Valley, KY.

The music is brought to you by **Devil John Moonshine**, a new product offered by Barrel House Distillery of Lexington.

Bardstown Road Aglow is a festive annual event that runs from 5:00pm until 10:00pm where business all up and down Bardstown Road/Baxter Avenue welcome the public with open houses providing all kinds of holiday cheer.

But let's face it, traffic around the hub of the activity on Bardstown Road is ridiculous --- So we have the plan for you: **Park at Big Blue Country (we have tons of parking) and ride the Bardstown Road Aglow Trolley up the road to the heart of the activities** (the FREE trolley runs continuously from 4pm - 11pm from Big Blue Country to Douglas Loop)

And then when Aglow is over, ride the trolley back to Big Blue Country and stop in and relax and hear some fantastic music. The music starts at 9:00pm - The Holiday Cheer goes all day long.

Final Four Roses

As part of Bardstown Road Aglow, Big Blue Country is competing in a drink contest sponsored by Four Roses. Bars and restaurants on Bardstown Road and Baxter Avenue are competing for money and pride by trying to make the best holiday drink using Four Roses Whiskey.

Our drink, named **The Final Four Roses**, is a warm apple cider/cinnamon and Four Roses concoction topped off with whipped cream and a bright *BLUE* cherry for a Blue and White appeal. It sounds good, and tastes even better.

We hope you agree and will vote for our drink by texting "bbcountry" to 22333 or by sending an email stating "bbcountry" to BourbonBattle@gmail.com. We appreciate it!

Kenny Walker in the House!

Former UK Basketball great, **Kenny Walker** is fired-up about the UK versus North Carolina game Saturday....and he plans to watch the game at the most rockin' place for UK fans in Louisville - Big Blue Country.

Come eat, drink, watch the game, and say hello to one of UK's all-time great players.
