Selection MONDAY - Bracketology for UK Connection

~~~~~  
~~~~~

UK Alumni's monthly Big Blue Business Network get-together will focus on handicapping the NCAA Men's basketball tournament on a special "*Selection MONDAY*" this Monday at 5:30pm. Our guest host, Billy Reed, will facilitate a bracketology program to help you make the best selections so you can win your office pool.

Billy Reed is a former sports editor of the Courier Journal, sports columnist for the Lexington Herald Leader, and was associated with Sports Illustrated as a columnist and writer for 29 years. Billy is a member of the U. S. Basketball Writers Hall of Fame, the Kentucky Athletic Hall of Fame, and the Kentucky Journalism Hall of Fame having won Kentucky Sports Writer of the Year eight times. Billy will facilitate a very informal and interactive program to help us all get up-to-speed and ready for the *Road to the Final Four*.

At the conclusion of the program, you can fill out your first bracket and submit it to Big Blue Country to be eligible to win a prize package including a gift card, other special prizes, and bragging rights at Big Blue Country!

The monthly UK Alumni Big Blue Business Network events are always casual and informal and a great chance to meet-up with old contacts and make some new friends. Join us Monday at 5:30pm.
