Madness at Big Blue Country - Friday

We have certainly not given up on the prospects for a good football season for UK. But after a couple of tough losses, Big Blue Madness could not come at a better time. We certainly hope that you were one of the lucky ones to get tickets and will be attending the official Big Blue Madness at Rupp Arena. But if you don't have tickets, then please plan to join us for a **Big Blue Madness Party this Friday at Big Blue Country.**

Just like our hugely successful Draft Party for the NBA draft back in June, our Madness party should be a big party to celebrate the official start of the basketball season for UK. We'll get together to watch the entire event on our two 120" Hi-Def screens and all the other Hi-def televisions throughout the restaurant. We'll do UK basketball trivia questions during the commercials. And we'll be giving away **great prizes including tickets to the Blue-White game, tickets to Rupp Arena games, a PBR tent, gift cards, t-shirts and more!**

We'll be cooking up some great food and we'll have great drink prices including **B-Knight shots for \$3.00** and our specials on our "Blue beers" (**Blue Moon pints for \$2.50 and PBR pints for \$1.50 and buckets for \$10.00**). If you are starved for UK Basketball, then come feed the hunger by joining your UK family at Big Blue Country this Friday.

Big Blue Business Network - Monday

Be sure to attend the **Big Blue Business Network on Monday (October 11) starting at 5:30pm.** This informal monthly event is presented by the Greater Louisville Chapter of the UK Alumni Association and it provides the opportunity for UK folks to get-together to socialize, meet new friends, and make business connections.

This month's event will have a **formal presentation** component that will be presented by **John Zeydel**, who is very well known for his presentations on the value of networking. John understands the power of connecting people for a stronger community and workforce John helped found and hosts "No Rules Networking", a Louisville networking group that has been meeting for 9 years and has a members list of 7000.

Come hear John and meet some new and old friends this Monday at 5:30pm at Big Blue Country.

Join our MVP Club

If you haven't yet joined our **MVP Club**, you should. It is easy and it is free. As a member, you will be offered specials that will only be available for MVP's -- like our most recent special of \$2.00 for 16 oz Blue Moons, BBC Nutbrown Ale, and Falls City and \$1.00 for Coors Light 16 oz. drafts.

In order to join and receive exclusive offers, just send a text: "**BlueHQ**" to **41513**. When you join, you'll also receive a free appetizer.

USA Soccer fans should unite and join the local chapter of the **American Outlaws** to **watch the USA take on Columbia, this Tuesday (October 12)** at Big Blue Country starting at **8:00pm**.

There will be beer specials and some fun with the Outlaws who certainly liven up the game atmosphere. (NOTE: the American Outlaws are a national organization that supports USA Soccer through it's over 40 local chapters around the US - www.theamericanoutlaws.com).

UK vs. South Carolina - Saturday

If you aren't going to be able to attend the UK vs. South Carolina game on Saturday at Commonwealth, then plan to join up with us to **watch the game on our huge Hi-Def televisions in a great game-atmosphere**.

Come join a bunch of other UK fans that will all be rooting the Big Blue back to their winning ways.

Live Music

Come join us for some great live music from **Sea Hero this Saturday night** after the UK - South Carolina game with the music **starting at around 10:00pm**.

And mark your calendar now for Friday, November 5 when the **Whiskey Bent Valley Boys**, and their fabulous bluegrass sounds, return to Big Blue Country where they packed the house in their first appearance.
